CRITICAL INFRASTRUCTURE SERVICE SPECIALISTS

Enterprise-level service, at an affordable price.

Planned service and maintenance that keeps your critical systems running, and fast help when something goes wrong. Every plan gives you **discounted labour rates**, and Priority and Enterprise add a **guaranteed 4-hour High Urgency response**.

CHOOSE YOUR PLAN

Three plans. One standard of service.

Each plan builds on the one before it. Pick the level of care and response your site needs.

Essential

Sites with moderate urgency needs

2 preventive maintenance visits a year (spring and fall)

1-year minimum term · 90-day termination

- ✓ Served before non-contracted customers
- ✓ 24/7 service, holidays included
- ✓ Discounted labour rates
- ✓ Client portal with PDF reports after every visit
- ✓ Client app for iPhone and Android (App Store and Google Play)
